

THE PAP CORPS

Champions for Cancer Research

By Dave Orkin

We welcome all of the new residents moving into our community. We have been asked by many new and current residents how they can become an active participant assisting in achieving our vision to imagine and help create a world without cancer.

Please call Barbara Eliasof at 201-310-0301 and/or come to our monthly meeting February 20 at 1pm in our clubhouse theater. Doors open at 12:30. Learn what we are about and then sit back and enjoy our speaker Ellen Brazer, an award winning author. Her latest book was selected as the best Israeli biography book of all time.

We invite all the men and women living in Coral Lakes to help us fight cancer.

The Pap Corps, is a 501(c)(3) charitable organization headquartered in Deerfield Beach Florida. We are one of 50 plus chapters totaling over 20,000 members located in South East Florida; mostly Palm Beach County.

The funds we raise benefit cancer research at the University of Miami, Sylvester Cancer Center, Miller School of Medicine the only teaching center and highly rated NCI designated cancer hospital in So Florida.

Thank you for your support of our fashion show and our second Bingo Night of the season. Both were sold out and were enjoyable and successful events.

Join us for our annual **Walk-a-thon** (or Sit-a-thon for non walkers) Sunday Morning February 26rd when we walk or sit to benefit cancer research. Your \$30.00 per person registration fee includes The CL Pap Corps chapter tee shirt to wear for the event and a complementary breakfast provided by our Coral Lakes café.

You can register for the Walk-a-thon Monday, Wednesday or Friday between 10am and noon at our booth in the lower level of the clubhouse or at

our February monthly meeting. For more information contact Jack Baron at 561-445-2580.

Join us for **Bingo March 28**. It will be another fun Italian Night. Cost \$29 pp.

EVENTS PLANNING

If anyone has suggestions for fun events they want to share with us or if you would like to join our event planning meetings please call Arlene Orkin at 954-298-0478.
