

# THE PAP CORPS

*Champions for Cancer Research*

By Dave Orkin

Our thanks to all our Coral Lakes friends and neighbors who joined us for our first three events of 2023. Each was an overwhelming success. The revenue we raised as a result of your important participation is being used to fund important cutting edge cancer research at Sylvester Comprehensive Cancer Center, University of Miami, Miller School of Medicine.

Our Fashion Show at Benvenuto's was sold out and we received so many calls telling us that this was the event of the year. Our thanks to Joan Nicolazzo who chaired the event and dressed our models who were our Coral Lakes neighbors. What a fantastic job.

Our annual Walk-a-thon was a great success. A big thank you to Jack Baron for all the time and effort he provided as our Walk-a-thon chairman and our appreciation to our café for donating the breakfast we all enjoyed.

We had another sell out for our January Bingo-Italian Night. Everyone seemed to enjoy the dinner and our caller Phil Simborg who brought his sense of humor with him. Our thanks also to the many other members who assisted. We will have another Italian Night Bingo on March 28.
