

What is the cost of the presale voucher? **\$33.00 of which The Pap Corps receives \$25.00**

Do you pay \$33.00 a year for a Pap Corps Plate or is it a one time fee? **Yes, the Annual Fee for the Pap Plate is \$30.00 (\$25.00 goes directly to The Pap Corp), in addition to your Standard Renewal Fee.**

Can you request a special number for your plate? **Once the pre-sale requirement is met, (presale of 3,000 over 2 years) you will have the opportunity to order a personalized license plate and apply the voucher toward the total amount due.**

Can you use your current vanity plate? **Once the pre-sale requirement is met, you will have the opportunity to order a personalized license plate on the new plate stock and apply the voucher toward the total amount due.**

What about if they have a handicap plate now? **There is no specialty disabled license plate. The customer would need to utilize a disabled person's parking placard.**

Are pre-sale vouchers refundable or transferrable? **If the license plate does not meet it's pre-sale requirement, the fees will be refunded. However, they are not refundable for any other reason. Pre-sale vouchers are non-transferrable.**

Will there be additional fees when the license plate is manufactured? **In most cases, yes. The voucher will cover the specialty plate for the first year. If your license plate is not due for a mandatory replacement (every 10 years), you will likely need to pay a fee between \$28.00 - \$36.90 to replace it. These fees do not cover the annual registration renewal fees.**

Will my plate number stay the same? **You will receive a new license plate number and decal when you change to the Pap Corps plate. You will have the option to reserve a personalized plate which may include an existing personalized configuration.**

Will you receive a printed voucher? **No. The voucher will be attached to your driver record in the State of Florida's registration system. You will be able to redeem it once the plates are produced and you request the plate at time of renewal or as an on-demand plate replacement.**
