Presidents' Message

Winter 2024

The summer has come and gone and residents of Gleneagles are back to enjoying another season. We at The Pap Corps are busy finalizing plans for our remaining fundraising events for the 2024 season. With your generous contributions and participation in our events, we are hoping to surpass the \$100,000 we raised last year.

Thank you for making our first event of the season in November - Denim, Diamonds and Doo Wap so successful. The Luncheon, Boutique and lite entertainment was enjoyed by all.

Then we had an event scheduled off campus on January 9th, it was an all inclusive trip to the U.S. Sugar's Harvesting facilities in Clewiston, FL, The Raisin' Cane Sugarcane Harvest Tour had to be canceled last minute due to weather. We will reschedule for sometime next year..

Our next event was the Jokers Wild Luncheon and Game Day on Monday, January 15th. schmoozing with friends, breakfast and then the games began! We stopped for a great lunch at 12:00. After lunch we went back to our tables and continued to play. Another big success thanks to all of you.

In February you will receive our annual Raffle letter for the "7 Come 11" event. 7 lucky winners will each receive \$1000 and 11 winners receive \$100. Raffle winners will be chosen at the closing event - date is TBD.

Pap Corporate holds a large monthly meeting called Breakfast With The Doctors held at Broken Sound. Each time a different doctor speaks on the latest medical breakthroughs in their particular specialty. We invite you to join us. The cost is \$25 per person which includes a continental breakfast. If interested in going please call Lynne Schneider 516.817.4009 or Sue Schoenwald 954.328.1284. Car pools are always arranged.

We are planning some other activities so look for our blasts and flyers for details.

As always we at The Gleneagles Pap Corps thank you for your continued support in the quest to find cures for ALL types of cancer. Our vision is to "imagine and help create a World without Cancer." Wishing everyone a happy and healthy season!

Our goal is to raise money for the research being done at Sylvester Comprehensive Cancer Center so that all types of cancer will be WIPE OUT - GONE. Join our 500+ Gleneagles chapter members and help bring us closer to the cure (and have fun doing it)!

According to the American Cancer Society, half of all men and one-third of all women in the U.S. will develop cancer in their lifetimes. We believe that in one way or another we have all been touched by this disease, either personally or through a family member or friend.

What would happen without the research being done and the progress being made by organizations such as Sylvester Comprehensive Cancer Center at the University of Miami Miller School of Medicine?

Our role, through the Gleneagles Chapter of The Pap Corps, is to help further research for the programs currently in place as well as support new research programs that can help bring an end to cancer as we know it today. We invite you to contact Barbara or Narda if you have any questions or would like to learn more about The Pap Corps.

Please become a member of The Gleneagles Chapter of The Pap Corps. Help us eradicate cancer!

Opportunities to Donate to Sylvester

The Pap Corps Campus

The garden will offer a place of tranquility and peace for patients, family, and all who visit the Deerfield campus. The Pap Corps is honored to be spearheading this important project, which welcomes donors to create an enduring legacy while supporting the next survivor. Purchasing a brick allows you to honor a significant person in a permanent fashion, while also supporting The Pap Corps' mission to fund cancer research at Sylvester. This campaign is more crucial than ever, as donations to cancer research have been dramatically reduced since COVID-19. We encourage everyone who would like to do their part in eradicating cancer to join us in our quest.

Support Sylvester by Donating a Brick!!

Commemorative and Memorial Bricks

Two Sizes: 4" x 8" for \$365 and 8" x 8" for \$730.

**Bricks for Special Events such as Birthdays,
Bar/Bat Mitzvahs, Weddings, Christenings and
In Memory of Loved Ones.**

WHAT IS THE PAP CORPS GIVING TRAIN?

THE GIVING TRAIN is a new opportunity to make a recurring monthly commitment to support cancer research and the next survivor, via credit card, direct debit, or EFT transfers. Go to the Giving Train page - <https://www.thepapcorps.org/giving-train> - g-train, (please feel free to share this link via email, text message and or social media).

Donors can register to give monthly or annually via this link by entering their bank information for EFT transfers, or their credit card information. Making a payment to a direct secure website has become the way of life these days.

Payments will be processed monthly or annually, with a

reminder text message and email that will go out to the donor a few days before any payment is processed. Then, there will be a follow up confirmation email and text after payment is processed.

All credit card and bank information are secure on the GiveSmart platform. NO ONE, not even The Pap Corps staff can access this information. The Pap Corps will never charge the donor's card without their explicit permission for more than the requested amount at the time of registration.

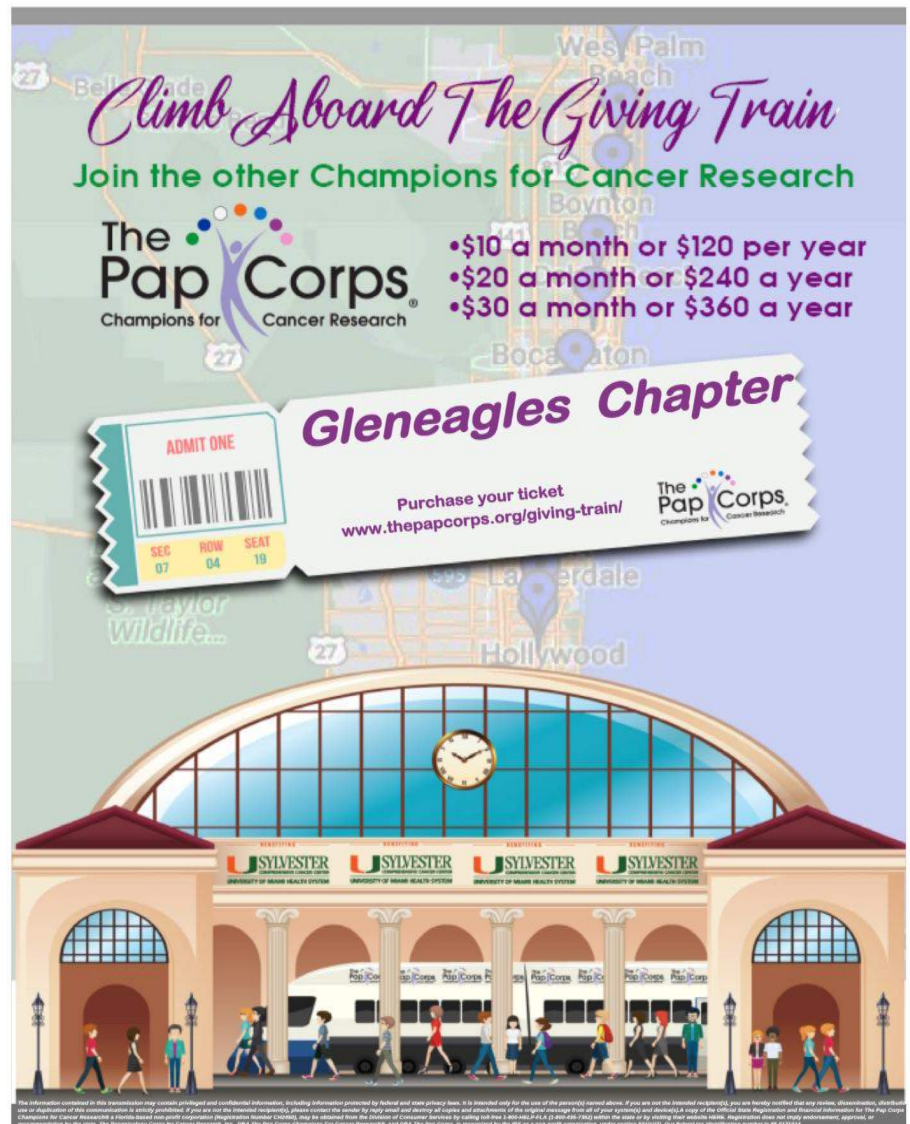

Donors can cancel or update these transactions at any time by contacting:

Maryd@thepapcorps.org or 954-425-8100 extension 204.

So Climb On Board, and let's get our Gleneagles Chapter of The Pap Corps Giving Train rolling to save more lives.

If you have any questions or thoughts, please call Gleneagles Pap member

Karyl Caplan: 561-499-7930.

What is The Pap Corps?

TO FIND OUT MORE ABOUT THE PAP
CORPS GO TO: <https://www.thepapcorp.org/>
OR SEARCH FOR: **THE PAP CORPS**

The Pap Corps, Champions for Cancer Research is a volunteer organization committed to FINDING A CURE FOR ALL TYPES OF CANCER. We support the efforts and programs at The Sylvester Cancer Research Center at The University of Miami Miller School of Medicine. With the ongoing fundraising efforts of the 52 chapters in Southeast Florida, we have transformed the diagnosis, management and treatment of cancer.

We are very fortunate to have Sylvester within close proximity of Gleneagles as it is one of only 71 National Cancer Institute hospitals in the country and the ONLY one in Southeast Florida. Recently Sylvester opened a satellite facility in Deerfield Beach. Sylvester's research programs are organized into three research areas: Cancer Control, Cancer Epigenetics and Tumor Biology. Through The Pap Corps' support, Sylvester has been able to recruit cancer focused world renowned physicians, researchers and scientists. There are presently over 300 doctors and researchers working at the hospital. Patients are offered the most advanced cutting-edge treatment options.

Without ongoing support from Pap, these vital opportunities for cancer research and treatments could be lost. To benefit cancer patients now and in the future, we must continue to support research.

Please help us fight cancer by attending our functions and participate in our annual raffle. The cure for cancer begins with research today to bring a cure tomorrow.

OUR VISION IS SIMPLE....TO LIVE IN A WORLD WITHOUT CANCER!
