

A Message from our Presidents

Ilene Rallo

Phyllis Zuckerman

So, it seems that every time we take a few steps forward something knocks us down; and we take some steps backward. All of us know that we are members of PAP because this is a cause that is meaningful to us and close to our hearts. The dollars we raise go to support cancer research at one of the most prestigious cancer centers in the country, Sylvester Comprehensive Cancer Center. Being as optimistic as possible, the Board planned and scheduled events and programs for the upcoming season that we hoped would be interesting and fun and get us back on the successful fundraising track our chapter has always travelled. Unfortunately, once again, the universe had other plans. The abhorrent virus numbers in South Florida have led Sylvester to issue guidelines for themselves which include no gatherings of more than twenty people either indoors or outdoors, masks required at all events, and no food or drink is to be passed at events. As we raise funds for Sylvester, it is our belief that we are obligated to follow these guidelines. In an abundance of caution, it has been decided that we will not be having any in person events until January. It saddens us to have to cancel the exciting events which were already planned. However, we believe it is not prudent to expect our members and guests to attend events and programs which might put them at risk. Information on these programs being rescheduled will follow as we know it.

Now for the dilemma: How do we continue our important quest in these uncertain times and unusual circumstances? The answer for the present time is to hope that everyone supports the programs we are able to put out. **Birthday Buddies** is always so successful for us. Opening a birthday card from fellow members is always a welcome treat. Our **Tribute Cards** are second to none and are always appreciated by the recipient. Be it a birthday, anniversary, graduation, new baby or condolence, we have the perfect card for any occasion. **Save Around Discount Books** are once again available including discounts at restaurants and stores. After skipping last year, **Discount Cards** which are reusable at restaurants and stores are once again being offered. Don't miss out on our **Calendar for the Cure**. Choose meaningful or random dates on our virtual calendar for the opportunity to win cash prizes. Purchase **Butterflies** or **Bracelets**. There are still some copies available of our must have **Quarantine Cuisine Cookbook**.

Save the Date: Optimistically, we look forward to the following events after the New Year:

- **Winter Card Party:** Thursday, January 13, 2022
- **Walkathon:** Sunday, February 13, 2022
- **Night at the Races:** Saturday, March 5, 2022
- **PAP in the Park:** April 3, 2022
- **Summer Card Party:** July 13, 2022, Fountains Country Club

Although so much progress has been made in finding cures for many forms of cancer, there is still a huge amount of work to be done. We all need to come together to continue the fight. Each and every one of us can make a difference, be it by helping plan and execute our events and programs or by supporting the programs we have in place. Anything we can do at this point to support the work at Sylvester is vital to the success of our mission. Please reach out to Phyllis or Ilene with any ideas you may have or to offer your help in any small or large way.

Ilene and Phyllis

In the Spotlight

Sharon Smith

We are excited to shine the spotlight on our very own Sharon Smith. Sharon was born in Brooklyn, NY and then moved to Westchester, NY at one year old. At The University of Connecticut, Sharon majored in medical technology. After working at Boston Children's Hospital for three years, she was off to Chicago to graduate school. Sharon worked at Bellevue Hospital for a few years, then was Lab Manager at Beth Israel Hospital in NY. She received a master's degree in Hospital Administration from NYU and went into medical advertising. Sharon did medical symposia all over world, which she terms "boondoggles". (We'll leave it to you to find out what that means.) Fortunately, this afforded Sharon a lot of first-class travel. From 1983-1995 Sharon worked in medical advertising. Sharon met her husband, Jeff, in 1991. They married in 1994 and moved to Florida in 1995, living in Boca Raton. In Florida, Sharon worked in medical tv for three years and briefly as an administrative assistant. Office Depot recruited Sharon in 1999 where she did administration work for three years before working in the energy management department and then becoming energy manager for all of Office Depot. Whew! Sharon took her well-earned retirement in 2013. (Lucky for us!)

The Smiths moved to Tivoli Lakes in Boynton Beach in 2005, quickly becoming an integral part of their community. They love to travel and keep in touch with their two children and three grandchildren. An avid mah jongg player, Sharon decided to broaden her horizons and learned canasta, which she also loves. As an active member of Hadassah, Chavurah and Women's Club, Sharon generously gives her time and expertise to many organizations, also writing columns for her community newsletter, The Tivoli Lakes Times. After a couple of years, PAP past President Joan Taylor recruited Sharon as a Board member, making use of her expertise creating our newsletter and flyers for events. Sharon has been our very capable, hardworking Treasurer going on six years now. However, that does not really tell the story of our Sharon and her dedication and important contributions to PAP and to our chapter. As a two-time cancer survivor, Sharon feels that PAP is an essential organization, and she is an integral and important member of our chapter, saying she is happy she can contribute her time and participation. It's not possible to list all the ways Sharon has helped raise a great deal of money in our effort to support Sylvester Cancer Center's goal of eradicating cancer. Our very successful Walkathons would not be nearly as successful without the extraordinary amount of hard work put in by Sharon. Her ideas and guidance as an Executive Board member are truly valued. Whether it is planning events, receiving registrations for our events or being an incredible steward of our chapter's finances, we are extremely lucky that SHARON SMITH is on our team. THANK YOU, Sharon, for a job way more than well done!! Please know your hard work is helping pave the way for a world without cancer.

GREATER BOYNTON CHAPTER

"PAP IN THE PARK"

Dear Fellow Greater Boynton Chapter Members,

We hope this email finds you and your families well and safe.

We are writing to let you know that because of the rise in cases involving the Delta variant of the Covid virus, Sylvester has issued the following guidelines that PAP Corporate is adhering to for the remainder of this year:

1. No more than 20 people at any given event (inside or outside)
2. Mask must be worn by all attendees (vaccinated or unvaccinated)
3. No passed food or drinks

In light of these guidelines the "PAP in the Park" committee has decided to postpone the event.

We have scheduled the new date for Sunday, April 3, 2022 at 11:00AM.

The Committee did not make this decision lightly but took into consideration the increase in cases.

We want to make sure that not only is the "PAP in the Park" a success, but more importantly, that the event is safe for our members to be together.

We appreciate your patience and understanding regarding our decision to postpone this event. Anyone who has already registered is automatically registered for the new date.

If you have any questions, please feel free to reach out to me via text or phone call.

Thank you and please stay safe,
Susan Hermele - Chairperson

RESCHEDULED
NEW DATE ANNOUNCED

Footloose & Cancer Free

Dear Pap Corps Champions for Cancer Research,

We hope this email finds you and your families well and safe.

We are writing to let you know that because of the rise in cases involving the Delta variant of the Covid virus, the Footloose Committee has unanimously decided to postpone the Footloose and Cancer Free event that was scheduled for Sunday, October 3rd, 2021.

We have scheduled the new date for Sunday, January 16th, 2022, at 1:00PM.

The Committee did not make this decision lightly but took into consideration the increase in cases in many of our Chapters. We have also reviewed the new Guidelines recently released by Sylvester for their own events:

1. No more than 20 people at any given event (inside or outside)
2. Mask must be worn by all attendees (vaccinated or unvaccinated)
3. No passed food or drinks

We want to make sure that not only is Footloose and Cancer Free a success, but more importantly, that the event is safe for our members to be together.

We appreciate your patience and understanding regarding our decision to postpone this event. If you have any questions, please feel free to reach out to either one of the two co-chairs, Beverly Berkowitz or Nancy Levinsohn, or Sally Berenzweig, CEO, or Susan Dinter, Chair of The Pap Corps. All our emails are listed below.

WHAT GOES AROUND COMES AROUND - IN A GOOD WAY

by Sharon Smith

My friend of 60+ years, Carly has been a silver sponsor of our Walk-a-thons from the first one. Carly lives in Phoenix, so this donation was purely to support cancer research.

In March, I received a call from Carly telling me she had just been diagnosed with ovarian cancer and wanted to draw on my experience of battling cancer twice. She later followed up to tell me that she had seen a doctor who had just made *Phoenix Magazine's* list of top doctors for the 10th year in a row. And she attached his CV.

It turns out that Mike Janicek, MD did his Fellowship in Gynecological Oncology at the **Sylvester Cancer Center/Miami**! He then went on to direct the Gyn Oncology Research lab there and studied Immunology of Cervical Cancer as Assistant Professor of Microbiology and Immunology.

I'm sharing this with my fellow PAP members to show that our hard work to raise funds for Sylvester affects people all over the country. Hopefully what Dr. Janicek learned at Sylvester and what Carly generously supports will result in a positive outcome for my friend.

Since our mission is to raise funds for Sylvester Comprehensive Cancer Center – University of Miami, **we need your help!!**

As you have read, the COVID pandemic has caused us to postpone or cancel all our planned fundraising events for the rest of this year. We are optimistic that we will be able to schedule events next year.

As mentioned in the President's message, please support our fundraising efforts. We've got butterflies, cookbooks, discount cards, save-a-round books, calendar for the cure, bracelets, masks tribute cards.... If you can't find anything that interests, you here....you can make a donation to The Pap Corps!!

Even during these challenging times, we can continue to **MAKE A DIFFERENCE!**

Please help us support the clinical trials and research work being done at Sylvester to help us put an end to cancer

DID YOU KNOW??

AmazonSmile is a simple and automatic way for you to donate to The PAP Corps every time you shop, at no cost to you.

Simply go to smile.amazon.com. You can designate The PAP Corps as the charity you wish to support, whenever you shop on Amazon while still using your own account. A small portion of the sale will be given to PAP, not affecting your purchase at all.

You will find the exact same low prices, vast selection, and convenient shopping experience as [Amazon.com](https://www.amazon.com), with the added bonus that Amazon will donate a portion of the purchase price to our worthy cause.

In June we were notified that Amazon Smile made their quarterly charitable donation to the Pap Corps in the amount of \$453.38 and AmazonSmiles impact - \$3,623.53 donated to the Pap Corps.

So, if you're not signed up for AmazonSmile, please do so...it's very simple. Your shopping dollars generate financial support for our chapter.

Did you know that our chapter has its own Facebook page? Please go to Greater Boynton Pap on Facebook. Once you "like" the page you will receive current information. Stay updated on all our programs and events. Our Facebook page is overseen by Lynn Samuels. Lynn regularly posts information about our chapter and our programs. If you have anything you believe we should be sharing on our Facebook page, please contact Lynn at lynnsam411@aol.com

Physicians Referral Service

Aside from the satisfaction of knowing you are helping in the fight to find cures for all forms of cancer, one of the major benefits of being a PAP Corps member is the Physician Referral Service. If you or a member of your family have the need to secure an appointment with one of the top doctors at Sylvester Comprehensive Cancer Center, simply call your community liaison and you will be given someone to call who can expedite an appointment. Please be sure not to call to attempt to secure an appointment on your own or PAP will not be able to help schedule a quick appointment. We certainly hope you never need to make use of this perk. However, it is comforting to know this is available to us.

Membership Report

Miriam Schwartz & Karen Simat
Membership VP

The Pap Corps recruits new members throughout the calendar year (January 1 through December 31). New members have the option of paying their Pap dues (\$40 per year or \$300 for lifetime) by check or credit card. Credit cards are processed by the Pap main office and checks are processed through our Greater Boynton Chapter.

Membership cards are sent to members electronically by email. The electronic membership cards are issued after the dues checks are processed by the Pap main office (three to four weeks).

We depend on our members to keep us and our membership information current. If you move, change your telephone number, or change your email address, please notify Miriam Schwartz (mimschwartz@comcast.net) or Karen Simat (ksimat@comcast.net) membership vice presidents. You can also notify your Pap Community Liaison.

The Greater Boynton Chapter Community Liaisons are:

Myrna Guthertz	Avalon Estates
Margery Nathman and Lynne Deckelbaum	Mizner Falls
Marilyn Bass and Carlynn Donosky	Tivoli Lakes
Bonnie Goldstein	Tivoli Reserve

Stay safe.
