Dear Supporter:

Some of the most dreaded words a person can hear are “You have Cancer”. We have all been touched by someone who has heard these words said to them, whether it is ourselves, a loved one, a friend or a neighbor.

We are fortunate to live in a time and place where we have the opportunity to affect the realities of cancer on our generation and future generations.

The Pap Corps, Champions for Cancer Research, is the fundraising organization dedicated to the singular mission of supporting cancer research at the University of Miami Sylvester Comprehensive Cancer Center. Monies raised by The Pap Corps support innovative research at the Center.

On Feb 3, 2023, our chapter will host a Casino Night Event in our community. We are asking for your help in making this event a success. All monies raised will go directly to UM Sylvester to continue it’s passionate search for a cancer cure.

On the attached page, there are varying levels of sponsorship for this event. Please review the packages and let us know at what level you can contribute to help make this a successful event.

We gratefully thank you for your support.
