

Dear Friends and Family,

On February 27th, 2022, I will be joining the Valencia Shores Pap Corps for a Walkathon to raise funds for the research being done at Sylvester Cancer Research Center at the University of Miami. Sylvester is the only academic based cancer research center and NCI designated center in South Florida.

My steps will be taken with the fervent wish that each one will bring a researcher closer to finding a cure for this dreaded disease.

The Pap Corps, Champions for Cancer Research, is one of the largest volunteer fundraising organizations in South Florida, with 53 chapters and over 20,000 members.

The volunteers are dedicated to supporting research for all types of cancer at Sylvester Comprehensive Cancer Center.

The Pap Corps has donated more than \$110 million to Sylvester. The Pap Corps funds support research efforts and helps recruit world-renowned researchers and physicians.

Please help me to eradicate this disease through the amazing breakthrough research that is being done at Sylvester.

Please consider sponsoring my efforts. All donations are appreciated and will be put to good use.

Please make your check payable to The Pap Corps and mail it to me, or you may use your credit card by clicking on this link: iqfn.us/form/ZOyCpQ, then click my name on the pull-down menu titled "Attribute your support to". Thanks so much.
