A Message From The Presidents' Desk

As we look back on our first year as Presidents of the Venetian Isles PAP Corps Chapter, we feel pride and thankfulness for the wonderful work done by our VI PAP Corps Boards and membership, that has made this both a successful and hopeful time.

Starting in September 2022, our monthly meetings attracted many VI PAP Corps members and were both enjoyable and informative. We all learned about how to keep ourselves safe at home and from scammers. We danced at Dance Flow Dance Studio and enjoyed a performance by two of their talented instructors. We enjoyed water aerobics and were inspired by a talk given by Linda Caracappa, who shared her many life experiences as she moved towards her Federal Judgeship. And for all of these wonderful VI PAP Corps meetings, we thank our Vice Presidents in charge of Programming, Jill Davis and Lynda Waxman.

As we all know, the VI PAP Corps funds the crucial research that brings life-saving advances to cancer treatment. Our Vice Presidents, Marilyn Silverberg, Gloria Naftali and Nancy Horwitz keep this fundraising goal in the forefront as they plan the wonderful events that so many Venetian Isles residents have participated in and enjoyed. We Painted With A Twist, went to Black Box and the movies and enjoyed a card and mah jongg party. These were some of the events that made it possible for our chapter to contribute to the PAP Corps fund raising effort. And our plans for the summer months and beyond, a ballet event at the Harid Conservatory in May, card and mah jongg parties in June and September, a wonderful membership luncheon in October, a fashion show in November and a cruise on Celebrity Cruise Line in December are just a few of the activities that will keep us all entertained and involved in the important PAP Corps work.

And, of course, we cannot forget the Venetian Isles PAP Corps Walkathon, chaired by Janie Friedlander and Judy Masur that brought out an enthusiastic group and raised the money we need to support cancer research.

Our Vice Presidents in Charge of Membership and Donor, Flora Rich and Adria Dansky, have done an outstanding job in maintaining our present members and adding new members to our membership numbers. We are proud to note that the Venetian Isles Chapter of The PAP Corps was among the top ten recognized for the highest member renewals.

There are a variety of ways that individuals have given of themselves to support The PAP Corps goals. Our Treasurer, Cheryl Handler and Recording Secretary, Sheila Romanick have kept our financial and meeting records in outstanding order.

The PAP Corps provides many ways to contribute financially and Ellen Pressman, through Levels of Giving and PAP Angels is always there to provide support for these contributors. Lois Abcug and Nadine Balgley, through our Sponsorship Program, generate the funds that defray the cost of our wonderful general meetings.

The PAP Corps focus is to support cancer research; but it is important to note that it also provides help to The PAP Corps members who are in need of medical care. Sue D'Entrone, our Liaison to Sylvester and The PAP Corp Peer/Mentor program provides these services and we are all grateful for all she does.

Marshall Adelstein, our advertising expert, Karen Rapport, our creative corresponding secretary, Sharon Sacks, our Birthday Gram facilitator and Sara Finkelman and Andrea Friedman, who are always available when you need Tribute Cards all add to making the VI PAP Corps successful.

Ellen Bica has taken on the role of Parliamentarian, but we thank her for doing so much more. Her Special Projects, the Harid Ballet Experience, the end of year luncheon, and the upcoming membership luncheon and cruise will add to the enjoyment of our PAP Corps Chapter and our ability to raise funds.

It is our pleasure to thank everyone for the success of this first year of our presidency. Our final thank you is to the person who makes the Venetian Isles PAP Journal possible, Laura Gardner. It is only through her expertise and talent that we are able to create such an outstanding publication; and we want to acknowledge her and the time and effort she has put forth.

We cannot end this message without wishing a fond farewell to our friend Rosalie Kesslen who has been a dedicated member of the VI PAP Corps for so many years. Rosalie and Shelly, we wish you good health and happiness in your new home in Colorado.

This year as Venetian Isles PAP Corps Presidents has been inspiring for us. Our attendance at The PAP Corps Presidents' Meetings has helped us to realize how important the work we are all doing is. At the February 1, 2023 Presidents' Meeting, Dr Ricardo Komotar shared some of the advances that have been made in brain surgery. But more importantly, he would not let us forget the connection between those advances and the money The PAP Corps contributes that make these advances possible. Remember, these meetings are not just for presidents. Each member receives an invitation email from PAP Headquarters every month. You are ALL invited to attend.

We leave with a thought from Susan Dinter, The PAP Corps Chair:

"Volunteers don't get paid because they are worthless, but because they are priceless."

With our dedication to The PAP Corps Mission,

Linda Berman, Sara Finkelman and Andrea Friedman

Need to see a Doctor at

SYLVESTER COMPREHENSIVE CANCER CENTER?

We are very fortunate in South Florida to be associated with the University of Miami and Sylvester Comprehensive Cancer Center. They have just been recognized for their research efforts and cutting-edge cancer treatment to patients by the National Cancer Institute.

One of the benefits of membership in Venetian Isles Chapter of PAP is that each of us has access to these fine physicians through our Patient Referral Program.

Through this program you and your family members can get an appointment with a Specialist at Sylvester almost immediately. You know that often when you need to see a Specialist you may have to wait months. If you wish to make an appointment, ***DO NOT CALL SYLVESTER TO MAKE THE APPOINTMENT ON YOUR OWN. You must use the contact we provide.*** If you do not follow this process, our referral will be unable to help. The only way to make the appointment is through our Patient Referral Program.

For further information and assistance call:

Sue D'Entrone, PAP Liaison to Sylvester

Please text Sue at: 845-304-1305

suedentrone@icloud.com

REMEMBER!

If you find that you need to see a cancer specialist you must first text me at 845-304-1305 I will immediately get you in touch with a person who can facilitate getting an appointment for you. Of course, all information is kept strictly confidential!

We need your help!

SPONSOR A MEETING! SHOUT OUT A SPECIAL EVENT!

Honor your family or a friend!

*Be a **BREAKFAST SPONSOR***

You can do this and assist Pap by donating \$10.00

towards sponsoring the beautiful breakfast at our meetings!

Celebrate with everyone! Be sure to tell us what or whom you are honoring! Sponsors will be recognized at the next meeting.

Please give us a check (include ID#) at a meeting or leave it in an envelope at the home of:

Treasurer's Report

Treasurer Report

Dear Venetian Isles Members,

Our newest income statement to The PAP Corps shows that in our last quarter, we sent in \$18,618.08 with expenses of \$10,339.76. This shows a profit of \$8473.08. Working with no clubhouse and having small fundraisers (tickets to the Black Box Theatre and Painting with a Twist) we have to thank all our members for their donations. This was made possible with your wonderful support of purchasing Tribute Cards, sending Birthday Greetings, renewing your membership and sponsoring our meetings.

The money we raise is for cancer research at the Sylvester Cancer Research Center. Please do not

Please... make all checks payable to THE PAP CORPS.
DO NOT PUT "VI" on your PAP checks.

Thanks,
 Cheryl Handler, Treasurer

Joyce Zimbalist is our new
"Sunshine Chairperson"

Please contact her if you know anyone who is not well or who has passed away. Joyce will send out a get-well card for those people who are ill and a remembrance card to the family on behalf of the Venetian Isles Pap Corps.

You can reach Joyce at 516-655-8584, or you may email her at JSZ1953@gmail.com

Membership

MEMBERSHIP = the life line of any club or organization, PAP's membership dues make up a large chunk of the funds donated to PAP.

Your Annual Dues of \$40 or Lifetime Membership of \$300 helps to **CHIP AWAY** at that six-letter word, **CANCER**. It's never too late to **JUMP ABOARD** and help us rid the **WORLD** of a **COMMON KILLER** that hits us all in one way or another.

PLEASE, PLEASE ask your significant other, family, and friends to **JOIN US** in our **PLIGHT TO FIGHT CANCER**.

Thanking all of our current Annual and Lifetime members.
Your continued support is greatly appreciated by our chapter and all those fighting for a cure. There is strength in numbers.

The Pap Corps has launched a new mentorship program that matches cancer patients with Pap Corps cancer survivors trained by Sylvester Comprehensive Cancer Center to be Survivorship Mentors.

Cancer has more than a physical impact on patients. It's also a major source of emotional distress, anxiety, and depression – both during treatment and after. This new program can provide support for patients undergoing cancer treatment as well as train cancer survivors to become mentors and make a difference for others.

Programming News

Imagine A World Without Cancer

Our Programming Year in Review

We are so proud of our presenters, Executive Board, and PAP members for helping us to make this a banner year for Programming. We loved your input and appreciated your praise for each of our programs. We are also grateful to all who have attended our meetings and enthusiastically welcomed our speakers and honored guests. A special thank you to the JCC for hosting us throughout November in their facility. To all of our guests, members, and speakers—thank you for joining us to support our efforts to help find new pathways in our quest to battle cancer and find a cure.

So here's a glimpse back at our programming year:

In September, we enjoyed a fashion and make up demonstration offered by Sondros in the Cove, Tal Cosmetics, and our own Lynda Waxman, makeup artist. You all looked fabulous! October brought us Delray Medical Center, Accident Prevention Department. The presenter, Jeffrey Dilavore, taught us how to prevent falls at home. Lee Ravine spoke about communicating with grandchildren in our world of electronics in November and provided us insights into open communication.

We must say that you looked like professional dancers when we met in January at the Dance Flow studio in Boca Raton, Florida! You are all such wonderful dancers. Our mouths are still open after watching the professional dancers do their exhibition which included the Lindy Hop. In February, what fun as we exercised in the pool while enjoying a sumptuous breakfast provided by the Clubhouse. Judge Caracappa, talked with us in March about her experiences as a woman working in the legal system - now and then. What a wonderful tribute to International Women's Day. Our April meeting was enlightening and fun, learning about different scams victimizing seniors in Florida and throughout the country.

Thank you so much, dear Pap Members, for your support of our VI Pap Corps. Through your efforts, and the research and work being done by the University of Miami Sylvester medical professionals, someday, we will achieve "A World Without Cancer!"

Don't forget to look for the pictures that follow to view the exciting work we have all done. Stay well and be safe.

*Warm regards,
Jill Welsh Davis and Lynda Waxman
Program Vice Presidents*

Fundraising Highlights

Your generosity allows THE PAP CORPS to support the next survivor through funding our Mission. These funds are used for groundbreaking research and to bring in world-renowned cancer researchers to work on eradicating all forms of cancer.

VI PAP GOES TO THE MOVIES... On Sunday, February 5th, 72 members of the VI PAP community and their guests gathered at the Movies of Delray for a private screening. The event was held to raise funds for The Kevin Berkowitz Memorial, which supports breast cancer, ovarian cancer, pediatric and adult brain cancer, and melanoma research. All proceeds from the event were donated to the cause, and matching funds were allocated specifically for melanoma research.

The attendees, who had a combined age of 335, were a group of female friends who shared a love for Tom Brady and the New England Patriots. Their outing to the Super Bowl was inspired by Lou (played by Lily Tomlin), one of their own, who was living with cancer. Despite her diagnosis, Lou was determined to attend the Super Bowl with her besties before returning to an urgent message from her oncologist.

The event was not only a fun outing for the VI PAP community and their guests, but also a meaningful way to support cancer research. It highlighted the power of friendship, the importance of living life to the fullest, and the impact that communities can make in the fight against cancer. Overall, the private screening at the Movies of Delray was a heart-warming and inspiring event that brought people together for a good cause.

The PAINTING WITH A TWIST event was held on Wednesday, March 22nd, at their paint studio on Congress Avenue in Boynton Beach. All participants were able to enjoy a wonderful afternoon filled with painting, socializing, and sipping champagne. Guided by a skilled instructor, attendees were able to challenge their unique painting techniques, with no prior artistic skills needed.

The canvas used during the session was specially selected for the 23 VI PAP members and the community. As guests sipped on champagne and munched on delicious cheese and crackers, the paintbrushes filled the canvas with vivid colors, resulting in some beautiful and creative artwork. The event was a huge success, with guests of all creative backgrounds coming together to support cancer research and enjoy a fun-filled afternoon.

Fundraising Highlights Continued

TUSK, FLEETWOOD MAC TRIBUTE BAND. On Friday evening, April 7th, at the Black Box Theater in Boca Raton, 24 VI PAP members, Community, and guests enjoyed the music of the number one tribute band to Fleetwood Mac, Tusk, delivering an outstanding performance, covering all the great hits of Fleetwood Mac, and paying homage to the talents of Mike Fleetwood, Christine and John McVie, Lindsey Buckingham, Stevie Nicks, and others who have been part of the group over the years.

Performing together for 25 years, Tusk recreated the music of Fleetwood Mac to perfection with note for note renditions, taking the audience back to the band's formative years when they dominated the charts.

The event was a great success, and all funds raised from it will be used for groundbreaking cancer research, contributing to a worthy cause. The attendees were thrilled with the performance and enjoyed an unforgettable evening of music.

The PAP Angels Update

Hello to all the future PAP Angels. My name is Lynda Waxman and I'm the new booster to encourage you to become a PAP Angel. The PAP Angels are a special group within our organization. Our vision is simple:

"To Live in a World Without Cancer."

Members who pledge a total of \$1,000.00 to the PAP Corps become Angels. Your pledge can be fulfilled with a single donation or in minimum payments of \$250.00 over four years. Once your commitment is met you receive a

certificate and your name will be featured on the PAP Angel Wall located in the Cancer Research

Building at the University of Miami School of Medicine. So, here's to hoping you will consider this prestigious honor and become a PAP ANGEL.

Call me if you would like to make a commitment.

Climb Aboard The Giving Train

GAME CHANGER VEHICLES

This month's April PAP Corps Presidents' Meeting, which is open to ALL PAP members (you receive an email invitation from PAP headquarters) featured a very special opportunity for us to board and view one of the GAME CHANGER vehicles. These vehicles are mobile units bringing cancer information and diagnosis to underserved communities. The Pap Corps Champions for Cancer Research [Pap Corps] and the University of Miami Sylvester Comprehensive Cancer Center, have joined efforts to address the increasingly high death rates for all types of treatable cancers in South Florida's underserved communities. The vehicles offer the community free screenings and related services for common cancers such as cervical; colorectal; skin; Hepatitis C [associated with liver cancer]; HIV testing, and counseling and treatment referrals to other local cancer prevention opportunities.

The Giving Train

I have Hopped On THE GIVING TRAIN.....

As a member of the PAP Board for 20 years I was looking to take a little time and slow things down. However, I still wanted to help work toward our goal to, "Imagine a World Without Cancer." I found a way through the Giving Train. My dedication to the PAP Corps and to cancer research makes this perfect for me, and for everyone else, too! The Giving Train is a monthly gift contribution in support of cancer research and the wonderful work that is being done by Sylvester. The monthly gift can be as little as \$10.00 a month. Most contributions are made using credit and/or debit cards. There are alternate ways as well. I am a bit computer challenged, so I called the whiz—Ellen Pressman. Over the phone it took Ellen 10 minutes and I was signed up. I am so proud of what I have done and the fact that I am now part of this new and exciting program.

CLIMB ABOARD THE GIVING TRAIN with me and many, many others and be part of the Cancer Research that helps move us faster toward the "race for the cure."

See you on the Giving Train.

ANNUAL WALK-A-THON THROUGH VENETIAN ISLES

This year, the Venetian Isles Chapter of the PAP Corps held its annual Walk-a-Thon on **Sunday, March 12th, 2023**

This year's donation was \$25.00. Each participant received an official PAP tee-shirt with the PAP Logo. We are pleased to announce that we had 75 participants. We are proud to say we raised approximately \$3,700.00.

Thank you to Janie Friedlander, Judy Masur, Sara Finkelman, and Andrea Friedman for once again, running this fundraiser and for working tirelessly to make this a successful Walk-a-Thons !! The Venetian Isles PAP Corps thanks our special donors who made the bagels, spreads, coffee cake, coffee and water possible.

Finally, a special thank you to Karenita Rapport for arranging to have Palm Beach County Sheriff Department's Deputy Kenneth Torrence, Community Outreach Coordinator bring the pink patrol car—the first law enforcement vehicle to support cancer research and cancer survivors!

Our members were able to 'sign' the car and dedicate their walks.

THANK YOU TO ALL WHO CAME OUT AND SUPPORTED THIS GREAT EVENT
