

Woodfield Chapter of The Pap Corps, Champions for Cancer Research

Chapter Chat for Fall, 2021

Welcome to 2021-2022! Hopefully this year will be a calmer and healthier year, heading in the direction of what we used to call “normal.”

The Pap Corps is celebrating its 70th anniversary this year. A special event is planned for the spring. More information will be available at a later date.

Invitations for the Bobbi Friedman Memorial Card Party have been mailed! **The deadline for responses has been extended to November 15.** It is our intent to keep everyone safe by requiring that all of our attendees be vaccinated. You are asked to send a copy of your vaccination in with your check and response card or send a photo to crobb2@aol.com. We request that you wear a mask indoors and be socially distanced wherever possible. Looking forward to a fun day of shopping, dining, and playing games on December 6.

As most of you are aware, Carol Lipman passed away this July. Carol chaired and revitalized our vendor portion of the card party. To honor Carol’s memory, our walkathon will be named the Carol Lipman Walk for Cancer Research. It will be held on Sunday, January 16 and there will be various levels of sponsorship. More details will be available in the very near future via email and on our website at www.thepapcorps.org/Woodfield.

Now is a good time to start reading the novels of our authors appearing at our 4th annual Book & Author Luncheon on February 2. Mark Sullivan’s latest novel is *The Last Green Valley*. Earlier works are *Beneath a Scarlet Sky*, *Private Paris* (with James Patterson), and many, many more. Among Ellen Marie Wiseman’s most enjoyed works is *The Orphan Collector*, *The Life She Was Given*, and *What She Left Behind*. Andrew Gross is the author of *The Fifth Column*, *Button Man*, and *The Saboteur*. He, too, co-authored many novels with James Patterson. These are only a few of the many books penned by our very prolific authors who will be with us in February.

Save these dates:

Bobbi Friedman Memorial Card Party, Monday, December 6 at 10 a.m.

Carol Lipman Walk for Cancer Research, Sunday, January 16 at 10 a.m.

4th Annual Book & Author Luncheon, Wednesday February 2

Please note that our opening meeting, November 10 has been canceled due to our concern for everyone’s health and safety.

For certain events (**not the card party**) credit cards can be used. Venmo is available for donations as well. Visit our website at www.thepapcorps.org/Woodfield for a safe and

secure way to make donations and payments. There will be a direct link to pay by credit card for the Carol Lipman Walk for Cancer Research registration and sponsorships.

Annual dues of \$40 are now due. You can pay by credit card at www.thepapcorps.org/Woodfield. Upgrading to Life Member is \$300 and can also be paid by credit card. If you know of someone who is not yet a Pap Corps member or wants more information about Pap, please contact our membership chairs Michele Jacobson at michele.jacobson80@gmail.com or Hilary Unger at hilaryunger@gmail.com. We will also have a membership table at our card party. The chapter that signs up the most members between October 1 and February 28 will be featured in the spring edition of the Pap Corps Press.

Birthday Buddies will be sent out shortly by email. This is a wonderful way to support the research at Sylvester Comprehensive Cancer Center and put a big smile on the birthday recipient's face. The cost of each name is \$1.00 and there is a \$10 minimum.

Tribute cards for all occasions are available by contacting Sandy Kransdorf at kransdorf@aol.com or by calling her at (561) 997-6101.

Penny Fleischman will be selling mahjong cards and has generously donated the proceeds to The Pap Corps. At this time she does not have the details as to pricing or when they will be available. If you want more information, please send your name and email address to jgreenhawt@aol.com

As always, thank you for your support. You are part of a network of dedicated volunteers. Remember that volunteers don't get paid not because they're worthless, but because they are priceless.
