

# Canasta Tournament

The Canasta Tournament was described by Penny Yegelwel as a wonderful event for charity. She went on to say it was a lot of fun. Arthur Shulman thinks we should host a tournament every three to four months. Felice Schwartz commented that it was very organized and Jacqueline Goldstein thought it was a great event and enjoyed the socializing aspect of the game.

As a result of the Canasta Event, BW CPC signed-up:

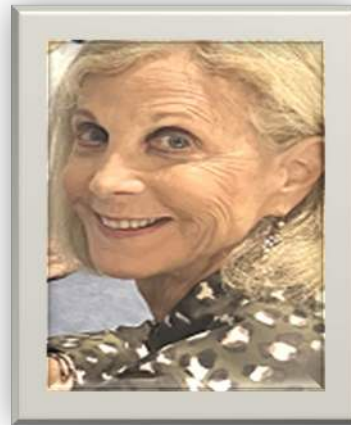

- 2 New Annual Members and
- Sold 11 Dues Raffle Entries

We had some productive lessons learned suggested from our players:

- Name Tags,
- Proof Read the Rules
- Advertise Better and
- Cater a Cookie Tray
