

***Cascade Lakes' Pap Invites You  
to join us for an evening of good fun  
playing a group card game followed by  
bountiful pastries & coffee.***

## ***We're Playing MILITARY BRIDGE!***

**What's that?** It's an easy to learn, quick-moving card game played in teams of four. (No, it's nothing like bridge, so we're not sure how it got its name.) We'll give you a quick lesson and play a practice round before the official game begins. Then each team will compete in rounds against other teams; the winners capture the flag. At the end of the evening, the top teams with the most flags will win prizes!
