

BUTTERFLIES TO FUND CANCER RESEARCH

Our beautiful purple butterfly ornaments were created exclusively for The Pap Corps and are available only through our chapters.

Each butterfly is approximately 9.5 in. x 8 in. and comes with a removable 23-inch metal stick. As shown in the photos they can be used with or without the stick in your garden or other indoor or outdoor locations by themselves or in multiple groupings.

For a donation of only \$5.00 each you can get your own butterflies now. Our beautiful butterflies make a special gift for any occasion. Your friends, family and neighbors will be thrilled to receive them.

To purchase butterflies please contact Norma Gluck at 561-413-7134 or shelnorma@aol.com

Proceeds from the sale of butterflies will be used to fund the ongoing vital cancer research at Sylvester Comprehensive Cancer Center at the University of Miami Miller School of Medicine.
